If the insurance policies purchased by Contractor as required above do not expressly allow the insured to waive rights of subrogation prior to loss, Contractor shall cause them to be endorsed with a waiver of subrogation as required above.

CONTRACTORS EQUIPMENT INSURANCE

Any insurance policy covering the machinery and equipment of the contractor, subcontractors and subordinate subcontractors against loss by any cause shall include an endorsement providing that the underwriters waive their right of subrogation against the owner, the architect and/or engineer, the contractor and all subcontractors and subordinate subcontractors.

CERTIFICATE

Prior to the commencement of work hereunder, the Contractor shall furnish to the New Jersey Economic Development Authority, a Certificate of Insurance, executed by a duly authorized representative of each insurer, evidencing compliance with the insurance requirements set forth herein. All policies and corresponding certificates must show thirty (30) days prior written notice of cancellation to New Jersey Economic Development Authority. Failure of New Jersey Economic Development Authority to demand such certificate or other evidence of full compliance with these insurance requirements or failure to identify a deficiency from evidence that is provided shall not be construed as a waiver of Contractor's obligation to maintain such insurance. Failure to maintain the required insurance may result in termination of this contract at New Jersey Economic Development Authority's option. Contractor shall provide certified copies of all insurance policies required within ten (10) days of New Jersey Economic Development Authority's written request for such policies. If Contractor fails to maintain the insurance as set forth herein, New Jersey Economic Development Authority shall have the right, but not the obligation, to purchase said insurance at Contractor's expense, and in connection therewith, including without limitation, New Jersey Economic Development Authority's reasonable attorneys fees, on demand. By requiring insurance herein, New Jersey Economic Development Authority does not represent that coverage and limits will necessarily be adequate to protect Contractor, and such coverage and limits shall not be deemed as a limitation on Contractor's liability under the indemnities granted to New Jersey Economic Development Authority in the Contractor Agreement.

SUBCONTRACTORS

Contractor will include all subcontractors as insureds under its policies or will furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors will be subject to the requirements stated herein.
